

Dear _____,

Congratulations on losing your very first tooth! 🧚‍♀️ ✨ ✨

I was so excited when I heard the news, and I just had to come and visit you tonight. Your tooth was so shiny and beautiful, and I left a special surprise just for you.

Remember, every time you lose a tooth, it's a sign that you're growing up and becoming a big kid. Keep taking good care of your teeth, and soon you'll have a beautiful grown-up smile!

Sweet dreams, and don't forget to put your tooth under your pillow. I

I'll be back to collect it and leave you another surprise.

Keep smiling, and know that I'm always watching over you.

Lots of fairy dust and toothy magic,

The Tooth Fairy 🧚‍♀️ ✨ ✨ 🌙

P.S. Give your parents a big hug for helping you with your loose tooth.

They're the real heroes! ❤️ ❤️
